

AUXILIUM

Teppanyaki

Art. 697050

This is the smallest teppanyaki grill cart from JOKODOMUS, reduced to its essential griddle size while preserving all its functionality. The griddle with two separate adjustable temperature zones enables perfect cooking results due to constant power delivery. A must for passionate cooks which love to prepare fresh ingredients while enhancing natural taste and create punctual flavours. On the fry top teppanyaki griddle from JOKODOMUS you can cook and fry without additional fat and unhealthy burning on; and also you can prepare different food in sequence without taste transmission. A smart technology; and finally also the cleansing is easy to do.
